In the G.O. cited, sanction was accorded to the Superintendent (Agricultural Research Station) Bellary and Assistant Cotton Specialist (Agricultural Research Station) Bellary for the local purchase of 500 and 100 gunnies respectively.

The above officers have addressed the Collector regarding the local prices of gunnies and they received a communication stating that no new gunnies are available and once used gunnies cost Rs.120/- per 100. Then enquiries have been made in other districts. It is ascertained that D.W. gunnies at a rate of Rs.150/- are available at Vijayawada

As gunnies are not reported to be available locally in Bellary, I request that the Government be pleased to accord permission to the Superintendent, Agricultural Research Station, Bellary and Assistant Cotton Specialist, (Agricultural Research Station) Bellary to purchase the gunnies (600) in all from Vijayawada at Rs.150/- per

X 100. The purchase is proposed to be made through the  
Special District Agricultural Officer, Vijayawada.

p s ank

With reference to the above, I am to submit the following.

The Heads of Offices concerned, called for quotations for the supply of their requirements of gunnies but no quotations were received by them in most of the cases.

Further, gunnies are not easily and readily available for purchase locally and in many of the places, even tenders are not forthcoming.

Besides, nowhere, the tenders are willing to sell upto the prescribed maximum rate of Rs.80/- per 100 once used gunnies and at Rs.135/- per 100 new

gunnies

gunnies. The rates quoted by them vary from Rs.110/- to Rs.116/- for once used gunnies, and to Rs.160/- to Rs.175/- for ~~new~~ new gunnies which are not available in the market. These rates vary from place to place and from day to day even in the same place. As such, consolidated reply as called for by the Government in respects of each officer could not be furnished in view of the difficulties noted above.

Individual cases are being reported to Government and their orders obtained after permitting the purchase, in anticipation of sanction, in urgent cases where the rates exceed the approved ones.

In the light of the circumstances stated above, I request that the Government be pleased to reconsider the possibility of revising the rates in consultation with the Board of Revenue.

I solicit the favour of early orders of Government in the matter.

In G. O. No. 1435, F & A d/25.7.50 sanction was accorded for the local purchase of 21,860 gummies by the Agnl. Officers referred to at X on pp. 1-2 of (B) at a cost not exceeding Rs. 29,511/- The cost was worked out at Rs. 135/- per 100 <sup>S.W. gummies</sup> (40" x 28" size).

In the Oes stated in the letter at pp. 1-2 of, the S. A. has now suggested that the officers referred to in items 8 & 11 at p. 1 of (B) viz. Asst. Station Specialist and the Supdt., Agnl. Research Station, Bellary may be permitted to purchase the gummies required by them (ie. 100 + 500 gummies) from Vijayawada at Rs. 150/- per 100 through

The S. A. is likely to come up with similar proposal at the same time in respect of the other officers referred to at X on pp. 1-2 of (B) and it may not be desirable to issue piecemeal orders. The S. A. may be asked to <sup>report</sup> whether the other officers referred to in the G. O. will be able to purchase the gummies locally at the rate specified in the G. Sub: STORES - Agricultural Department - requisitioned

Ref: My letter W.1.Pdl.238/50-2 dated 3-11-51.

dated 9-4-51.

In my letter cited, Government have been requested to accord permission to the Superintendent, Agricultural Research Station, Bellary to purchase 500 gunnies from Vijayawada at Rs.150/- per 100 and the Government in their above order were pleased to accord sanction to the above officer to purchase the 500 gunnies at the above rate.

2. In this connection, I am to submit the following:

The rate reported in my letter under reference was rate prevailing in October 1950 and afterwards the rates at very frequent intervals. Further it was not possible to effect the purchase at the particular rate since the time involved in effecting the purchase of gunnies was considerable as rates were subject to the fluctuation. The new crop had to be harvested and there was a great need for gunnies to keep seed stock. As such the Superintendent, Agricultural Research Station, Bellary purchased 400 gunnies from Vijayawada at a rate of Rs.176-1-0 per 100 exclusive of all incidental charges.

3. In this connection I would like to add that the rates quoted by the local tenderers vary from Rs.160 to Rs.175/- for 100 new gunnies which fact has already been reported to Government in my letter No. W.5.Pdl.238/50-2 dated 17-1-51.

4. I therefore request that the Government be pleased to revise the sanction order issued and ratify the action of the Superintendent, Agricultural Research Station, Bellary in having effected the purchase, in anticipation of approval at a price of Rs.176-1-0 per 100 new gunnies exceeding the original rate approved by Government.

5. I am permitting him in anticipation of Government's ratification to arrange payment and I request that my action may please be ratified in view of the justifiable reasons adduced above.
